Kid Stop Shop

The Kid Stop shop is in Wandle Way, Mitcham. We sell a wide variety of high quality recycled goods for children aged between 0-10 years old.

Currently open every **Thursday and Friday between 10:00 am and 2:00 pm**. Our aim is to help thousands of families obtain good quality items that they otherwise may not be able to afford.

We are committed to supporting the local community and keeping good quality items from going to landfill. We also provide a retail skills training programme for unemployed parents.

Kid Stop Out & About

The Kid Stop mobile shop allows us to access places in the local community that have few similar retail outlets. We visit a variety of venues and locations, such as environmental fairs, schools and community markets.

The mobile shop is available at the request of any local agency such as Sure Start or Children's Centre's.

We can also provide a temporary retail unit to be used in conjunction with other community based organisations, (where the mobile shop is unsuitable for a location).
