NEWS ARCHIVE – 2007

30 December 2007 : NRHA Christmas Training Camp

This years camp was a huge success. Over 50 players participated, including 8 players from Cottenham Roller Hockey Club. The days were long (9am - 6pm) and exhausting. Everyone worked so hard but had great fun, and in the process improved their hockey skills so much. Carlos Amaral, National Director of Coaching, said that it was the best camp ever due to the commitment and effort of all of the children !!

Particular congratulations go to :-

Charlotte Johnson - Player of the Day on Thursday (White Team Juniors)

Nathaniel Johnson - Player of the Camp (White Team Juniors)

Scott Neville - Player of the Camp (White Team Seniors)

Well done to you all !!!!!

5 November 2007 : Local Network Fund award for coaching - another success

Cottenham Roller Hockey was successful in its bid to the Local Network Fund to pay for an international coach Carlos Amaral to provide a dedicated coaching programme to boost the club's skill levels. Carlos is the National Roller Hockey Association Coaching Director who runs National Training Days that some of our players have been able to attend - now we are running dedicated coaching sessions where Carlos tailors a programme just for our players needs. Now that this training is up and running we hope to see our match results get even better !!

14 October 2007 : The Cottenham Feast Parade

Cottenham Roller Hockey Club entered the annual Feast Parade. The whole village put on a great show. A really big thanks to Dickerson's for the loan of the lorry and Travis Perkins for the timber, and of course to Mike for his hard work in organising us all.

6 October 2007 : A Fantastic Start To The New Season !

Cottenham Roller Hockey Club hosted the first Eastern Counties League events of the 2007/2008 season at a great new facility at Cambridge Regional College.

The new season started with both the Under 11's and the Minors (under 13's) performing fantastically well. The Under 11's won two of their four matches, and the Minors had a perfect start - four wins out of four.

The extra training sessions and coaching on the rules have paid off !!

And don't forget, catch our float at the **Cottenham Feast** Parade on Sunday 14 October.
