Mona writes :

Laura, Emily, Daniel, Fred, Scott, Rebecca, Nicolas and Will,

Congratulations!

I am very proud of all of you. Loosing against King's Lynn (3-1) shows how well you play considering the other teams lost against them 11-1 and 11-2. You came back from 3-0 against Bury to end the match 3-3 giving us the chance to go ahead in this knockout. Again you came back loosing against Ely 2-0 to win the match 5-3.

You clearly deserve to be in the finals and I feel that you have all the possibilities to beat King's Lynn. A special mention to Laura, your performance on the day was fantastic including stopping a penalty from Josh Taylor, well done.

See you on Cup finals day,

Mona

7 April 2012 : Dave Walters Cup - exciting competition

29 January 2012 : National Cup Qualifiers!

Congratulations to the Under 11s, Under 13s and Under15s Cottenham teams who successfully qualified for the National Cup Finals in June. All of the cottenham teams played amazingly at the qualifying tournament at Soham, and only the Schoolboys team narrowly missed the finals by being pipped to the post by Bury who scored in the last two minutes of their game. All the teams showed what a strong club Cottenham is. Well done to all the players who represented us so well !!!
