## SEPTEMBER 2015

### **Vive la France ! Cottenham in Final of Roger Herman Tournament**

Many of our players have been selected for the National squad and represent England at international level - but Cottenham Roller Hockey Club itself has had its first taste of international success. In September our Under 15 team (plus Albert & Quim) played in a 2 day tournament in Wasquehal, France. After winning all of their group games on Saturday, they survived a nerve-wracking semi-final penalty shoot-out against one of the host teams. The final was against St. Omer - **the French Champions !**

Cottenham played an extremely disciplined match but despite creating a number of chances could not get a goal. A direct hit in the last 20 seconds saw St. Omer win 2-0.

Four wins and it took the best team in France to stop us. Excellent performances from everyone.

## JUNE 2015

### **Jubilee Cup - an emotional journey to success !**

Cottenham Roller Hockey Club was started in 2006 by Mona & Paula with a small committee, A team entered the 2007 Jubilee Cup & were placed 12th (last) but did win the 'Fair Play' trophy. Since then, we have entered a team every year, on 2 occasions coming second. To participate is important, to loose is character building, but to win is fabulous. In her last year as an Eastern Counties Roller Hockey executive Paula had been asked to present the Jubilee Cup - imagine the pleasure to see

Cottenham win. A few moist eyes in the room as she declared **Cottenham Roller Hockey the Jubilee Cup winners in 2015..**
