

West Sutherland Fisheries Trust - Membership

Help us in our struggle to restore and maintain the trout and salmon stocks within the west Sutherland area by joining the West Sutherland Fisheries Trust for as little as £10 a year. We are already carrying out research into the salmonid life cycle in local river systems and are maintaining close links with biologists working throughout Scotland to ensure that results are co-ordinated and therefore give as complete a picture as possible. However, as a Charitable Trust (Charity No. SC24426) we are in constant need of financial support.

Contributions: Yearly Membership £25.00: Junior £10.00

Any additional contributions you feel able to make would enable us to be more active within the area. In return you will get the satisfaction of knowing that you are contributing to the effort to save our salmon and trout, a local contact point for exchanging views and information, 2 newsletters a year and an Annual Review to keep you informed about what we are achieving.
